PLOT SIZE: 8,000m²

BUILDS: 260m²

Plot located in Drapanos with absolutely spectacular views of the White Mountains and Souda Bay.

Drapanos is a small traditional village in the Apokoronas region just a short drive from the Blue Flag beach of Almerida. The village has a mini market and tavernas which stay open year round. For extended amenities the villages of Plaka and Kalyves are also a short drive away.

The plot is 8,000m² and has 1,000m² forestry nestled deep into the plot which cannot be touched for any type of use.

The unobstructed views are outstanding and sweep round from the White Mountains to Souda Bay.

The plot is flat but located on a hilltop which makes the building process easier and is planted with several olive trees which provide the owners with their own olive oil.

Water and electricity are on the neighbouring plot.

An excellent plot in an excellent location!!!
